We Can Make It

Boston

I would do anything, anything a man can do
You're my strength and weakness, I give it all for you
I would climb any mountain, how can I make you see?
Though the stars may fall, it will always be you and meThe light in your eyes is all the hope I need
There's so much you can give
Your smile is my reason to liveJust take my hand, we'll make a stand
I know that we can make it
Hey it's you and me, the world will see
I know that we can make it, you and meI see you full of sadness
Wondering 'bout this world we've made
There's a space between us all
Love has seen some better days
We can make it, we can make itThe love in your eyes is all I need to know
I'm never letting go
I'm here for you, heart and soulJust take my hand, we'll make a stand
I know that we can make it
Hey it's you and me, the world will see
I know that we can make it
I know that we can make it, hey, yeahJust take my hand, we'll make a stand
I know that we can make it
Hey it's you and me, the world will see
I know that we can make it
I know that we can make it, you and me
