

# We Can Make It

## Boston

I would do anything, anything a man can do  
You're my strength and weakness, I give it all for you  
I would climb any mountain, how can I make you see?  
Though the stars may fall, it will always be you and me  
The light in your eyes is all the hope I need  
There's so much you can give  
Your smile is my reason to live  
Just take my hand, we'll make a stand  
I know that we can make it  
Hey it's you and me, the world will see  
I know that we can make it, you and me  
I see you full of sadness  
Wondering 'bout this world we've made  
There's a space between us all  
Love has seen some better days  
We can make it, we can make it  
The love in your eyes is all I need to know  
I'm never letting go  
I'm here for you, heart and soul  
Just take my hand, we'll make a stand  
I know that we can make it  
Hey it's you and me, the world will see  
I know that we can make it  
I know that we can make it, hey, yeah  
Just take my hand, we'll make a stand  
I know that we can make it  
Hey it's you and me, the world will see  
I know that we can make it  
I know that we can make it, you and me
