

# New Delhi Freight Train

[Rick Nelson](#)

Now some people are sayin' that I'm crazy  
'Cause my real name is just Jesse James  
Well, I left them half rocked, hard knocked in Black Rock County  
Just to ride on that New Delhi train. Ridin' on that New Delhi freight train  
Ridin' on that New Delhi line  
Ridin' on that New Delhi freight train  
And left my love behind, left my love behind. I'm just a country boy without angels  
I'm just a country boy without gold  
And I've been to Silver City below the rainbow  
Where they say I pillaged and I killed and I stole. Ridin' on that New Delhi freight train  
Ridin' on that New Delhi line  
Ridin' on that New Delhi freight train  
And left my life behind, left my life behind. Well, they say I killed a man named Smiley Dearden  
Say I killed him with one of my guns  
And I know that I did what I had not ought to  
But I went on the run from what I'd done. Ridin' on that New Delhi freight train  
Ridin' on that New Delhi line  
Ridin' on that New Delhi freight train  
And left my love behind, left my love behind. Ridin' on that New Delhi freight train  
Ridin' on that New Delhi line  
Ridin' on that New Delhi freight train  
And left my life behind, left my life behind. Ridin' on that New Delhi freight train  
Ridin' on that New Delhi line  
Ridin' on that New Delhi freight train  
And left my love behind, left my love behind. Ridin' on that New Delhi freight train  
Ridin' on that New Delhi line  
Ridin' on that New Delhi freight train  
And left my life behind, left my life behind...
