Still Running

Novus Dae

Say it, say it, say itAlong, you support, then embrace
Another reason to see
Success, we unfold, clutching firm
Betting he panics for sureSay it, say it, that it's done
I want it, want it, need it done
Say it, say it, that it's done
I want it, want it, need it doneThe lie wants to know
Has it met expectations so farSay it, say it, that it's done
I want it, want it, need it done
Say it, say it, that it's done
I want it, want it, need it doneStill running, never waking up to say it
Still running, never waking up to say it
Still running, never waking up to say itSelfishly walking through
Killing the angles
Picking and choosing
To screw all of us one by oneSo run, make amends
Feeling torn
Boy, you better be sure
SureStill running, never waking up to say it
Still running, never waking up to say it
Still running, never waking up to say it
Still running, still running
Still running, still runningSay it, say it, that it's done
I want it, want it, need it done
Say it, say it, that it's done
I want it, want it, need it done
