

# One Of Those Things

## Dexys Midnight Runners

You know, recently I was thinking  
I was thinking about one thing and the other  
and music crossed my mind Yeah? Yeah  
It occurred to me to switch on the radio  
I wanted to hear some music  
So I turned it on, it was Radio One,  
Sid Jenkins on the air  
He had synthesizers and soulful guises,  
I think you know the type of thing - Sure.  
it was alright It was OK?  
I'm not lodging any complaints or anything,  
there was just one problem  
What was that?  
It all sounded the same  
You mean it all sounded similar?  
I mean it all sounded the same  
Anyway, so I started asking around, you know.  
I started making a few enquiries,  
just putting out a few feelers  
Yeah? Yeah.  
I had a word with a couple of so called socialists on my way  
And during the course of our conversation  
  
I put to them a question, I said:  
"How do you feel about Ireland?"  
Ireland? Yeah, Ireland  
That place, it's just across the sea  
Oh yeah, I know the place  
Well they said:  
"We're for Sandinista, Cuba's militia,  
the P L O, M.P.L.A, Afghanistan and Babylon"  
They went on and on and on and on.  
And I said: "Alright, Alright,  
but what do you think about Belfast?"  
And what did they say?  
Well, their replies were various  
but they all had one thing in common.  
And what was that?  
They all sounded the same

You mean they sounded alike?  
They all sounded the same  
Well, that's about the size of it,  
what can I tell you? You tell me. I dunno,  
It's just one of those of things  
What you mean one of 'those' things?  
Yeah, one of those things
