

Your Love Endures

Third Day

"Ready?"
"Yeah." Though the treasures of
This life may fade
Your love endures, forever
They will pass away
Things that man has made
But Your love endures forever No I can't explain,
Or even understand
Why you gave your life,
To save sinful man But I know it's true,
I've seen it myself
Your love endures forever Though the seasons change
With the passing time
Your love endures forever
And the sun will fade If just for the night
Your love endures forever
Though our pains and joys
Will come and go Your love endures forever
Even in my fears
I will always know
That your love endures forever...
