Dance (From Miami Vice - Down For The Count)

Ratt

Dance
Dance
Dance
Dance, dance, danceSlip and slide, take a ride
You want the best of both worlds
Caviar, it's hard to find
You're not a big city girlYou have dreams to make it big
Right off the Greyhound bus
Roses come from everyone
You're gonna have yourself some funWhen it's all done
You bite your tongue
You're feelin' so young
No cover-ups
You're never alone
If you hear the call
It's all for one
And one for allBaby we can dance, dance, dance
Feel the heat of the rhythm
Feel the heat of my hand
Dance, dance, dance
I see the way that you're movin'
You need a little romanceYou have pride, just try and fight
You'll take on anyone
Stupid pans and fans, no more laughs
It's only ten to oneIt's gettin' late to worry 'bout a date
Still you have no one
Twist of fate, you know it's too late
You turn on everyoneWhen it's all done
You bite your tongue
You're feelin' so young
No cover-ups
You're never alone
If you hear the call
It's all for one
And one for allBaby we can dance, dance, dance
Feel the heat of the rhythm
Feel the heat of my hand
Dance, dance, dance
I see the way that you're movin'

I think we have a chanceWhen it's all done
You bite your tongue
You're feelin' so young
No cover-ups
You're never alone
If you hear the call
It's all for one
And one for allDance
Dance
Dance
D-d-d-danceDance, dance, dance
Feel the heat of the rhythm
Feel the heat of my hand
Dance, dance, dance
I see the way that you're movin'
You need a little romanceDance, dance, dance
Feel the heat of the rhythm
Feel the beat of the band
Dance, dance, dance
I see the way that you're movin'
I think we have a chance, chanceDance, danceWe'll dance, dance, dance
We'll dance, dance, dance
