

War Child

Hollywood Undead

I like to get my fuckin' fade on
I'm feeling sexy, I'm like (Ooh)
Them haters tryin' to get their hate on
But I'm too sexy, I'm like (Ooh)
I'm like, I'm like, I'm likeLike a war childI'm like, I'm likeLike a war childI'm like, I'm likeLike a war
childI'm like, I'm like, I'm like(Fuckin' war child)I'm like,
I'm like,
I'm like
I'm likeUp in the club like "What's Up?"
Got a little money, I'mma run a muck
Dudes look at me like "He's drunk"
Girls look at me look at me like "That's what's up"
Girl you're a dime, I'm a diamond
I'm diggin' that ass like I'm minin'
Dime sack hidden in my beat up truck
Watch my back as I roll this bluntSipping on a Miti, I'm like, "Hi"
Boozing vision in my ride, I've freed hiding
So many times I always was a shy guy
Always been a SyFy guy with the tie-dyeUp in the club smoking weed now (I'm like)
So drunk, I can't see now (I'm like)
Charlie Scene in the VIP
And I think these girls want the D now (I'm like)I like to get my fuckin' fade on
I'm feeling sexy, I'm like (ooh)
Them haters tryin' to get their hate on
But I'm too sexy, I'm like (ooh)
Whoa, whoa (I'm like) whoa, whoa (I'm like)
Whoa, whoa (I'm like) whoa, whoa (I'm like)Up in the fight, like "Don't front"
Girls you know you wanna have me beat it up
Dudes looking me like "What the fuck?"
Girls look at me look at me like (That's what's up)
Girl you're a dime, I'm a diamond
I'm lost for words straight, minin'
Dime sack hidden in my beat up truck
Watch my back as I roll this bluntI like my woman all shapes and size
Big ol' booty make my eye grow wide
She like big dick yet she cannot lie
Sir Dick's-a-lot now I'm your's for the night
Yeah we're sip, sip, sippin' on some bubbly bubbly
Now she lick, lick, lickin' on my chubby, lovely

You know this chick is a funny's honey
She work that ass for the funny money I like to get my fuckin' fade on (Fade on)
I'm feeling sexy, I'm like (Ooh)
Them haters tryin' to get their hate on (Hate on)
But I'm too sexy, I'm like oh (Ooh) I'm in the club
I'ma party like a war child
I'm getting drunk
Yeah I party like a war child
Show me some love
Girl, let's party like a war child
Now throw it up
Like a motherfuckin' war child!
I'm like, I'm like Like a war child I'm like, I'm like Like a war child I'm like, I'm like Like a war child I'm like,
I'm like, I'm like (Fuckin' war child) Whoa, whoa (I'm like) whoa, whoa (I'm like)
Whoa, whoa (I'm like) whoa, whoa (I'm like) Whoa (I like to get my fuckin' fade on) I'm like
I'm feeling sexy, I'm like (Ooh) I'm like
Them haters tryin' to get their hate on (I'm like)
But I'm too sexy, I'm like (Ooh) I'm like
