# In My Hour

## Spain

Come to me
In my hour of needThere will be
Redemption and peaceCome to me
Come to me
Come to meIn the storm
There was lightning againNever thought
That the earth would be the sameNew Year's Eve
Is a dream
Eternally recurring
Come to me
Come to me
Come to me
Come to meOutside it's cold
In the stifling heat
And it's warm
Inside where the icicles meetThey say that we need
All the rain we can get
They say our survival
Could end in this desertAnd when the rain finally
Falls from the sky
The palm trees collapse
Cause the land is so dry
Water deep
Floods the streets
And the houses all slide
The houses divideCome to me
In my hour of need
