

# Think I'm In Love

Billy Rankin

I'm growin up too fast  
I never thought it'd last another day  
But  
But when I try to stay  
You turn away  
I don't need to hide my feelin's  
That just leaves my senses reelin? you're not sure you know me well  
But I bet you know the answer when you tell me  
Think about it, I think I'm in love  
You better think about it. I think I'm in love.  
Think about it, think about it, think about it all the time, all the time baby  
Givin? it up, givin it up, givin up the fight  
I think I'm in love  
I think I'm in love (I think I'm in love)  
You always look your best  
It's like a constant test of my restrain  
My intention's clear  
But your obsessive fear is always plain  
I got complications too  
I don't know what to say or do  
I can see them gettin? in the way  
But I get so crazy when I hear you say  
Think about it, I think I'm in love  
You better think about it, I think I'm in love.  
Think about it, think about it, think about it all the time, all the time baby  
Givin? it up, givin it up, givin up the fight  
I think I'm in love  
I think I'm in love  
I think I'm in love  
I got complications too  
I don't know what to say or do  
I can see them gettin? in the way  
But I get so crazy when I hear you say  
Think about it, I think I'm in love  
You better think about it, I think I'm in love.  
Think about it, think about it, think about it all the time, all the time baby  
Givin? it up, givin it up, givin up the fight  
And I think about it, i think I'm in love  
And I think about it, i think I'm in love

And I think about it, i think I'm in love

And I think about it, i think I'm in love

And I think about it...
