

# Copycat

## Billie Eilish

Don't be cautious, don't be kind  
You committed, I'm your crime  
Push my button, anytime  
You got your finger on the trigger, but your trigger finger's mine  
Silver dollar, golden flame  
Dirty water, poison rain  
Perfect murder, take your aim  
I don't belong to anyone, but everybody knows my name  
By the way, you've been uninvited  
'Cause all you say  
Are all the same things I did  
Copycat, tryna cop my manner  
Watch your back when you can't watch mine  
Copycat, tryna cop my glamour  
Why so sad, bunny, you can't have mine?  
Call me calloused, call me cold  
You're italic, I'm in bold  
Call me cocky, watch your tone  
You better love me, 'cause you're just a clone  
By the way, you've been uninvited  
'Cause all you say  
Are all the same things I did  
Copycat, tryna cop my manner  
Watch your back when you can't watch mine  
Copycat, tryna cop my glamour  
Why so sad, bunny, you can't have mine?  
I would hate to see you go  
Hate to be the one that told you so  
You just crossed the line  
You've run out of time  
I'm so sorry, now you know  
Sorry I'm the one that told you so  
Sorry, sorry, I'm sorry, sorry  
Sike  
By the way, you've been uninvited  
'Cause all you say  
Are all the same things I did  
Copycat, tryna cop my manner  
Watch your back when you can't watch mine  
Copycat, tryna cop my glamour  
Why so sad, bunny, you can't have mine?
