Intro-She rockin dat thang like she holding a guitar
Wanna dig up out her guts like I'm rollin a cigar
Body on pilattis how I ball she could volley that
Give it to me and she never ever want her body back Verse 1-
Eat up every piece of u I treat u like a party pack
All by myself s**t
All cuz I'm selfish
All on ya pelvis is where I wanna grind at
Grind all the time shawty make me push my grind back
Hammer to ya body
I aint talkin cockin nines back
If I could push the time back
I would just rewind that
Dream "Purple Kisses"
Repeat it while I eat it
I meant beat it I meant treat it
While I'm giving u the deepest
What I'm peepin u should see this
Girl I really don't believe it
If it's Victoria's Secret
U should tell her I'ma keep it
Matter fact
