[moe.](#)

I was always on the out  
Now I'm on the inside  
Waiting for a wave in doubt  
Feeling kind of untied  
Betting on a pagan cow  
Betting in the sunshine  
I was always on the out  
Now I'm on the inside I was always out of place  
Now I'm only in time  
Falling out of outerspace  
Swimming at the glen, I'm  
Looking towards the palisades  
Fading in the sunshine  
I was always out of place  
Now I'm only in time  
Now I know!  
Well I know - oh - oh - oh!  
Well I know! I was always in the wrong  
Now I'm only on time  
Bringin' all my luck along  
Only in the meantime  
Singin' someone else's song  
Fading in the sunshine  
I was always in the wrong  
Now I'm only in time I was never really born  
I was only sleeping  
Wakin' in the early morn'  
Only to believe it  
Finding all the ways I've worn  
Fading in the sunshine  
I was never really born  
I was only sleeping  
Now I know!  
Well I know - oh - oh - oh!  
Well I know! I was always on the out  
Now I'm on the inside  
Waiting for a wave in doubt  
Feeling kind of untied  
Betting on a pagan cow
