

# We Are Here

## Alicia Keys

We are here  
We are here for all of us  
We are here for all of us  
It's why we are here, why we are here  
We are here Bombs over Baghdad  
Tryna get something we never heard  
Let's start with a good dad  
So real but it's so sad  
And while we're burning this incense  
We gon' pray for the innocent  
Cause right now it don't make sense  
Right now it don't make sense Let's talk about chi-town  
Let's talk about Gaza  
Let's talk about  
Let's talk about Israel  
Right now it is real  
Let's talk about  
Let's talk Nigeria, and the mass hysteria  
Our souls are brought together so that we could love each other brother We are here  
We are here for all of us  
We are here for all of us  
It's why we are here, why we are here  
We are here No guns made in Harlem  
But yet Crime is a problem  
He wanna shine, he wanna rob 'em  
Single mother, where they come from?  
How we gonna save the nation  
With no support for education  
Cause right now it don't make sense  
Right now it don't make sense Let's talk about our part  
My heart touch your heart  
Let's talk about  
Let's talk about living  
Had enough of dying  
Not what we all about  
Let's do more giving  
Do more forgiving, yeah  
Our souls are brought together so that we can love each other sister We are here  
We are here for all of us

We are here for all of us  
It's why we are here, why we are here  
We are hereWe are here  
We are here for all of us  
We are here for all of us  
It's why we are here, why we are here  
We are hereOh oh oh oh  
Oh oh oh ohWe are here  
We are here for all of us  
We are here for all of us  
It's why we are here, why we are here  
We are hereWe are here  
We are here for all of us  
We are here for all of us  
It's why we are here, why we are here  
We are here
