Sister Sara

Alice Cooper

Now I don't know but I've been told
There's a nun having fun and she lost her soul
She got cash, she got laid
Now she's dealin' with me and she's gonna get paidShe got caught with the bishop, got caught with the abbot
Even cardinal sin tried to feed her habit
Now we get whores and pimps and skanks
Oh when your judgment came down even he gave thanksWhatever happened to me, can't remember my name
Flying so high on angelic wings, flew too close to the flameSister Sara, it's your penalty for eternity
Did you think that you were saved?
You forget your old identity who you used to be
Sister Sara so depravedOh, come all you faithless get in line
You're gonna drowned in the water turned to wine
And you're all going to wallow in your sin and shame
You had every opportunity to call his nameDon't look surprised, don't be in shock
You'll be a lovely little demon in my private stock
I'm just doing my job to pull you down
'Cause it's a one way ticket down to DragontownYou got caught in my web, you made your own bed here
And now you must keep me well fed
You're mine too bad you're here for me, you're just here for meSister Sara, it's your penalty for eternity
Did you think that you were saved?
You forget your old identity who you used to be
Sister Sara so depravedMoment to moment, hour to hour
Forever and ever
Time after time after time after time after timeSister Sara, it's your penalty for eternity
Did you think that you were saved?
You forget your old identity who you used to be
Sister Sara so depraved
