Who I Am

Jessica Andrews

If I live to be a hundred

And never see the seven wonders

That'll be alright

If I don't make it to the big leagues

If I never win a Grammy

I'm gonna be just fine

'Cause I know exactly who I amI am Rosemary's granddaughter

The spitting image of my father

And when the day is done

My momma's still my biggest fanSometimes I'm clueless and I'm clumsy

But I've got friends that love me

And they know just where I stand

It's all a part of me

And that's who I amSo when I make a big mistake

When I fall flat on my face

I know I'll be alright

Should my tender heart be broken

I will cry those teardrops knowing'

I will be just fine

'Cause nothin' changes who I amI am Rosemary's granddaughter

The spitting image of my father

And when the day is done

My momma's still my biggest fanSometimes I'm clueless and I'm clumsy

But I've got friends that love me

And they know just where I stand

It's all a part of me

And that's who I amI'm a saint and I'm a sinner

I'm a loser, I'm a winner

I am steady and unstable

I'm young but I am ableI am Rosemary's granddaughter

The spitting image of my father

And when the day is done

My momma's still my biggest fanSometimes I'm clueless and I'm clumsy

But I've got friends that love me

And they know where I stand

It's all a part of me

That's who I amI am Rosemary's granddaughter

The spitting image of my father

And when the day is done

My momma's still my biggest fanSometimes I'm clueless and I'm clumsy
But I've got friends that love me
And they know where I stand
It's all a part of me
And that's who I am
That's who I am
