

God Sent Me An Angel

[Lisa Dudley](#)

It's been 5 months since you went away
Left without a word, nothing to say
And I was the one who gave you my heart and soul
But it wasn't good enough for you, no
So I asked God

(Chorus)

God send me an angel from the heavens above
Send me an angel to heal my broken heart from being in love
Cause all I do is cry
God send me an angel to wipe the tears from my eyes

And I know that it might sound crazy, but after all that I still love you
You wanna come back in my life, but now there's something that I have to do
I have to tell the one that I once adored that they can't have my love no more
My heart can't take no more lies and my eyes are all out of cries
So God

God send me an angel from the heavens above
Send me an angel to heal my broken heart from being in love
Cause all I do is cry
God send me an angel to wipe the tears from my eyes

Now you had me on my knees, begging God please, to send you back to me
I couldn't eat, I couldn't sleep, and you made me feel like i could not breathe when I
All I wanted to do was feel your touch, and to give you all of my love
Took my love for granted want my loving now, but you can't have it o god.
