

I Wish You Love

[Natalie Cole](#)

Goodbye, no use leading with our chins
This is where our story ends
Never lovers ever friends Goodbye, let our hearts call it a day
But before you walk away
I sincerely want to say I wish you bluebirds in the spring
To give your heart a song to sing
And then a kiss, but more than this, I wish you love And in July, a lemonade
To cool you in some leafy glade
I wish you health, and more than wealth, I wish you love My breaking heart and I agree
That you and I could never be
So with my best, my very best, I set you free I wish you shelter from the storm
A cozy fire to keep you warm
But most of all, when snowflakes fall, I wish you love
But most of all, when snowflakes fall, I wish you love I wish you love
I wish you love, love
Love, love, love I wish you love
I really wish you love
I really wish you love
