And ill probably gun o.d by this songs over
I hang with white trash and love to skip class
Get high off coke and hash
And fuck a little kid in his ass

And if you wont do it then Monica Lewinsky will
Im waitin beyond, fuck the Fonz

Snatch you pions my whole crews ex cons

While I _ I get niggas from down south
Give your sister oral sex with the _ thats in my mouth
Im fuckin sick of anorexic chicks suckin my dick
If _ fuck with this nasty bitch!

Pull you out the truck and beat you ass worse then Reginald Denny

Fuck santa, Bizzares comin down the chimney
