

Trash

New York Dolls

Trash, won't pick it up, take them lights away
Trash, won't pick it up, don't take your life away
Trash, won't pick it up, don't try to take my knife away
And please don't you ask me if I love you
If you don't know what I'm doing, what you know is Trash, won't pick it up, take them lights away
Trash, won't get it up, don't throw your love away
Trash, go pick it up, don't try to take my knife away
And please don't you ask me if I love you
'Cause I don't know why I do, what I know is Trash, pick it up, take them lights away
Trash, won't pick it up, don't take my knife away
Trash, won't pick it up, forgot to take them all away
And please don't you ask me if I love you
'Cause I don't know if I do
I want to wipe it out here with you
And take a lover's sleep with you
I'm going to fairyland with you
I'm going to heaven blue with you
But I just don't know if I do
I just don't know if I do Ah how do you call your loverboy?
