

# My Little Brown Eyes

Crispian St. Peters

Do ya think  
That I could hold you  
Or kiss you  
Do anything for you  
Then walk awayOh, little brown eyes  
Sweet little brown eyes  
My little brown eyes  
That's not mePeople say I'm always lying  
Instead I'm crying  
And always sighing  
For only you  
Oh, little brown eyes  
Sweet little brown eyes  
My little brown eyes  
Stay here with meYou know I'd never, I'd never be untrue  
You know I'd never, I'd never make you blue  
That's why I love ya, I love ya like I doOh, do ya think  
That I could hold you  
Or kiss you  
Do anything for you  
Then walk awayOh, little brown eyes  
Sweet little brown eyes  
My little brown eyes  
That's not me  
Oh, little brown eyes  
Sweet little brown eyes  
My little brown eyes  
That's not me
