

God Shiva

[Meshell Ndegeocello](#)

God Shiva is imminent love and transcendent reality
God Shiva my supreme reality
I am here no longer a vision birthed into my body
I accept praise, blame, joy, sorrow
I realize we are in truth the truth we seek god
Perfect this very moment
God Shiva is imminent love and transcendent reality
God Shiva my supreme reality
Desire no more what you already possess
You are already free my nature is to love you
My soul identical to god
On a journey to return to my creator bliss
You are my mind of the mind
My eye of eye
Life of my life
