

Tell Me Why

Berlin

You told me stay away
You watched me walk away You told me stay away, away
I can hear the silence, I can hear the silence
You watched me walk away, away
I can hear the silence, I can hear the silence There's a reason for your sad eyes
There's a reason for your sad life
There's a reason you blame it all on me Tell me why it's over? I'm lost again
Tell me why I'm laughing through the end?
Tell me why it's over? Tell me true
Tell me why I'm crying over you? I waited hoping you would phone
I can hear the silence, I can hear the silence
And now I'm waiting all alone
I can hear the silence, I can hear the silence I'm missing your sad eyes
I'm missing your sad smile
I'm missing the only love I've known Tell me why it's over? I'm lost again
Tell me why I'm laughing through the end?
Tell me why it's over? Tell me true
Tell me why I'm crying over you? You told me stay away
I can hear the silence, stay away from silence
You watched me walk away
I can hear the silence, I can hear the silence I'm missing your sad eyes
I'm missing your sad smile
I'm missing the only love I've known Tell me why it's over? I'm lost again
Tell me why I'm laughing through the end?
Tell me why it's over? Tell me true
Tell me why I'm crying over you? Tell me why? Why? Why? Why?
Tell me why? Tell me why?
Tell me why? Tell me why?
Tell me, tell me, tell me why?
Tell me, tell me, tell me why?
Tell me, tell me why? Tell me why? Why? Tell me why?
Tell me why? Tell me why?
Tell me why? Why? Why? Why?
Tell me why?
