Supersonic

Technikal

Verse 1
(Christina Milian)
I wanna be
whatever you want me to be
Oh,
Oh Yeah baby
Hooked up to your love
Papi whatever you need
Oh,
Oh Yeah baby
Down Pillows
Surrounding my head
I'm wrapped up in this bed
See ima comfort ya
like a comforter
Tonight your love's a home
and I'm your furniture
Chorus
After this you'll see
there aint no one like me
I got that (Supersonic ooh naa)
And just when you think
that it's over
Won't let you get no sleep
I got (Supersonic ooh naa)
I got that fire truck siren
(roooroo)
I got that knock out love
(throw in the towel)
After this you'll see
there aint no one like me
I got that (Supersonic oo naa)
Alright, alright, alright, alright, alright
Right, alright, alright, alright, alright
Right, alright, alright, alright, alright
Right, alright, alright, alright, alright
Verse 2
(The Dream)

ATL!
I got you all up on my blackberry

I'm texting back
I'll be there around eight
Now she all up on Blackberry

You on mine
I'm on yours
back and forth
kissing you from your forehead
down to your toes
There aint another love like this
So put this in yo blog

See I can forget Sarah Marshall
but she can't forget me
I got that (Supersonic ooh naa)
And I dont mean to sound impartial
But there aint nothing like me
I got that (Supersonic ooh naa)
I got that fire truck siren
(roo roo)
I got that knock out love
(throw in the towel)
So listen to me C. Mili
aint nothing like me you'll see
(Supersonic ooh naa)
And if you aint heard you need to go cop my sh*t
Baby, all i wanna do
is place your body
up on the moon
Anything you want girl i will do...
Repeat Chorus
Alright, alright, alright, alright, alright
Right, alright, alright, alright, alright
Right, alright, alright, alright, alright
Right, alright, alright, alright, alright
