Heal

When Karma Was King

I donâ€™t have to say the word
You know whatâ€™s on my mind
I donâ€™t have to see you
Iâ€™ll see you in good time

Chorus:
But it was never ever a question of how you feel
You need some time to heal

I canâ€™t cry loud enough
Just for you to hear
And lifeâ€™s silver lining
Has been corroded by your fear
