My Ship Is Coming In

The Walker Brothers

Girl, you've been so good to me
Stayin' by my side through the bad times
All my dreams never came true somehow
But things are gonna be different now, little baby

My ship is coming in
Baby, baby
My ship is coming in

And won't it be fine
We're gonna make it this time

You can throw away that shabby dress
Buy yourself the finest things in town, girl
Pry your eyes, we're celebratin'
Oh, there's so many good times awaitin' baby

My ship is coming in
Baby, baby-
My ship is coming in

And won't it be fine
We're gonna make it this time

I know it's been tough on you
But through it all, you've been so true
Happy to be just lovin' me
And anything you want, it's yours 'cause baby

My ship is coming in
Baby, baby
My ship is coming in

Baby, baby-
My holy ship - I've been waiting and it's coming in
(My ship) Oh can't you see it baby
Can't you feel the ship - I know it's coming in
Yeah, yeah
(My ship) Just for me and you, everything we ever wanted
Everything we ever wanted is coming in

So dry your eyes
