

# Down On The Farm

## U.K. Subs

All I need is some inspiration  
Before I do somebody some harm  
I feel just like a vegetable  
Down here on the farmNobody comes to see me  
    Nobody here to turn me on  
    I ain't even got a lover  
Down here on the farmThey told me to get healthy  
    They told me to get some sun  
    But boredom eats me like cancer  
        Down here on the farm  
        Drinkin' lemonade shanty  
    Ain't nobody here to do me harm  
    But I'm like a fish out of water  
Down here on the farmI wrote a thousand letters  
    Till my fingers all gone numb  
    But I never see no postman  
Down here on the farmI call my baby on the telephone, I say  
    Come down and have some fun  
    But she knows what the score is  
Down here on the farmI can't fall in love with a wheatfield  
    I can't fall in love with a barn  
    Well everything smells like horse shit  
        Down here on the farm  
        Blue skies and swimming pools  
        Add so much charm  
    But I'd rather be back in Soho  
        Than down here on the farm
