Fast As A Shark

Helloween

Fog in the streets
A church clock beats
Midnight - darkness all aroundYou better beware
You better take care
Be prepared for the shockThe time has come
And he's the one
Who's breathing down your neckComing from behind
Now it's your time
A loser will dieFast as a shark he'll cut out of the dark
He's a killer - he'll rip out your heart
On a one way track and you're not coming back
Because the killer is on the attackSurprise attack
Coming from the back
An expert of the deadly knackJust take care
Just beware
Be prepared for the fightFast as a shark he'll cut out of the dark
He's a killer - he'll rip out your heart
On a one way track and you're not coming back
Because the killer is on the attackWatch out - watch outFast as a shark he'll cut out of the dark
He's a killer - he'll rip out your heart
On a one way track and you're not coming back
Because the killer is on the attackFast as a shark he'll cut out of the dark
He's a killer - he'll rip out your heart
On a one way track and you're not coming back
Because the killer's
Because the killer's
Because the killer's on the attack
