

# Come Unto Me

William McDowell

Chorus  
Come unto Me  
Open up your heart and worship  
I am drawing you to Me  
Don't hesitate and you won't be disappointed  
I am everything you need  
Come unto Me  
oh oh oh oh oh oh oh oh  
Verse 1  
When seek Me  
You will find Me  
If you search with all your heart  
When you call Me  
I will answer  
I am waiting to be found by you  
Chorus  
Verse 1 (Rep)  
with arm open wide  
and nothing to hide  
come now
