I Ain't Gonna Take It This Time

Hall & Oates

You push my buttons hard and don't even realize
What you're doing is killing my soul
Do you think I'm just some prize
You can win and then discard after the thrill is gone?
Well, listen then
I ain't gonna take it this time
I ain't gonna take that from anyone
I ain't gonna take it this time
Guess I'm gonna break out
You know I try to please, I lay awake at night
Trying to find the words you'll understand
But when I'm nothing but sincere
I know you cant be hearing
?Cause you say it?s more of the same
Well, listen then
I ain't gonna take it this time
I ain't gonna take that from anyone
I ain't gonna take it this time
Guess I'm gonna break out
Do you think I'd ever try to fool you
There are enough lies in the world
You don't need mine
If I cant win your heart and move you
You must be blind
