

# I Hope, I Think, I Know (Mustique Demo)

## Oasis

They're trying hard to put me in my place  
And that is why I've gotta keep running  
The future is mine and it's no disgrace  
'Cause in the end the past means nothing You tell me I'm free then you tie me down  
And from my chains I think it's a pity  
What did it cost you to wear my crown?  
You don't like me why don't you admit it I feel a little down today, I ain't got much to say  
But you're gonna miss me when I'm not there  
And you know I don't care, you know I don't care As we beg and steal and borrow, life is hit an miss and this  
I hope, I think, I know if I ever hear the names you call  
If I stumble catch me when I fall 'cause baby after all  
You'll never forget my name  
You'll never forget my name You're trying hard to put me in my place  
And that is why I've gotta keep running  
The future is mine and it's your disgrace  
'Cause in the end your laugh means nothing To feel a little down today but you ain't got much to say  
Who's gonna miss you when your not there  
You know we don't care, you know we don't care 'Cause as we beg and steal and borrow life is hit and miss and  
this  
I hope, I think, I know if I ever hear the names you call  
And if I stumble catch me when I fall 'cause baby after all  
You'll never forget my name  
You'll never forget my name As we beg and steal and borrow, life is hit and miss and this  
I hope, I think, I know, if I ever hear the names you call  
And if I stumble catch me when I fall 'cause baby after all  
You'll never forget my name You'll never forget my name  
You'll never forget my name  
You'll never forget my name  
You'll never forget my name
