

Water on Glass

[Kim Wilde](#)

Cascading down
There's a sound vaporising into vision
It's a sound in my head
That I feel and it shuts me in a prison Say it won't last
Say it will pass
Always the sound in my brain
Can you hear it Water on glass running down again
Water on glass that sound
Water on glass running round again
Help me, the sound of running water's
Coming down Dancing away
Like the lights on a moving coloured river
Sounds in my head seem to run
And again I feel a shiver Say it won't last
Pray it will pass
Always that sound in my brain
Can you hear it (Can you hear it) Water on glass running down again
Water on glass that sound
Water on glass running round again
Help me, the sound of running water's
Coming down Water on glass running down again
Water on glass that sound
Water on glass running round again
Help me, the sound of running water's
Coming down
