

# Beautiful Life

## Union J

She sees the world through TV screens  
All of her friends in magazines But everyday she lives a broken dream, yeah  
Making her own reality There's lots of make up on her face  
To cover up an empty space  
But there's a lot behind those big blue eyes  
She just don't realize Everybody's gone and lost their mind  
It's just the days we live in  
Most of the time Get up out the dark  
Open up your eyes  
You'll discover there's a world outside To fix a broken heart  
You have to try  
Pick it up, pick it up  
It's a beautiful life Beautiful life, beautiful life  
It's a beautiful life, beautiful life He's got his fortune on the plate  
But all that money won't change fate  
He's got six zeros but no one to share it with no friends, no girl, no one in the world Everybody's gone and lost  
their mind  
It's just the days we live in  
Most of the time  
Yeah Get up out the dark get up out the dark  
Open up your eyes  
You discover there's a world outside To fix a broken heart  
You have to try  
Pick it up, pick it up  
It's a beautiful life Beautiful life, beautiful life  
It's a beautiful life, beautiful life We're not so different  
You and I  
Cause everybody's got a place to hide  
But it's just the days we live in  
Mmm, most of the time Get up out the dark (get up out the dark)  
Open up your eyes  
You discover there's a world outside there's a world outside  
To fix a broken heart  
You have to try  
Pick it up, pick it up  
It's a beautiful life Beautiful life, beautiful life  
It's a beautiful life, beautiful life (It's a beautiful life) Ahhhh,oooooooooooooh Beautiful life Beautiful life
