

# This Songs About You

## 28 Days

this songs about you  
and all the shit you put me through  
this songs about the thing  
that drives me crazy  
this songs about the things  
that you do to that get to me

so I point my finger look at you?  
understanding all too well  
why I know you're weakness  
I can notice your're reaction I felt it building up  
why don't you just let it go feel it slip away  
why don't you just let it fucken go
