

# C'Mon

## Blue Six

Come, come, come, c'mon  
Come, come, come, c'mon  
Come, come, come, c'mon  
Come, come, come, c'mon Your touch, exciting  
I'll show you what I want (yeah)  
Selfish, inviting, I'll tell you when to stop (never stop)  
Your body start to melt in mine  
Your weight upon my hips will move in time  
I need another kiss, baby, you're fine (so fine)  
Come, come, come, c'mon  
Come, come, come, c'mon  
Come, come, come, c'mon  
Come, come, come, c'mon Not afraid of what's now  
Nothing here will last the night  
There's no more left of us  
Close your eyes and open wide  
Your body's got to move in mine  
Your breathing on my neck, I feel my spine  
And breathing on my chest, baby you'll find  
Come, come, come, c'mon  
Come, come, come, c'mon  
Come, come, come, c'mon  
Come, come, come, c'mon
