

Starfish and Coffee

Prince

It was 7:45 we were all in line
To greet the teacher Miss Cathleen
First was Kevin, then came Lucy, third in line was me
All of us where ordinary compared to Cynthia Rose
She always stood at the back of the line
A smile beneath her nose
Her favorite number was 20 and every single day
If you asked her what she had for breakfast
This is what she'd say
Starfish and coffee
Maple syrup and jam
Butterscotch clouds, a tangerine
And a side order of ham
If you set your mind free, baby
Maybe you'd understand
Starfish and coffee
Maple syrup and jam Cynthia wore the prettiest dress
With different color socks
Sometimes I wondered if the mates where in her lunchbox
Me and Lucy opened it when Cynthia wasn't around
Lucy cried, I almost died, you know what we found? Starfish and coffee
Maple syrup and jam
Butterscotch clouds, a tangerine
And a side order of ham
If you set your mind free, honey
Maybe you'd understand
Starfish and coffee
Maple syrup and jam Starfish and coffee Cynthia had a happy face, just like the one she'd draw
On every wall in every school
But it's all right, it's for a worthy cause
Go on, Cynthia, keep singin' Starfish and coffee
Maple syrup and jam
Butterscotch clouds, a tangerine
And a side order of ham
If you set your mind free, baby
Maybe you'd understand
Starfish and coffee
Maple syrup and jam (starfish in your coffee, you will love it, told ya so)
(starfish in your coffee, you will love it, told ya so)
