Jess

Chris Palser

Those words we say
Then wish we could take away
And I know you'll find
I'm just one more thing you left behindDreams of you
Leave me abused
I wake up all alone and I don't know what to do
Pain they say
Time will erase
But I will always remember the touch of your face
Way you taste
The way we held on
until we fell asleepWhen you find your place
when you find
that thing you need to chase
I know you'll look back
Remember me
Remember what we hadDreams of you
Leave me abused
I wake up all alone and I don't know what to do
Pain they say
Time will erase
But I will always remember the touch of your face
Way you taste
The way we held on
until we fell asleep3AM your drunk again
wasted stranger
are you the same girl
that took me in
all this rage
I had to leave
and I'm afraid to fall asleep
becauseDreams of you
Leave me abused
I wake up all alone and I don't know what to do
Pain they say
Time will erase
But I will always remember the touch of your face
Way you taste
The way we held on

until we fell asleep
