

The Kids Don't Like It (Skacoustic) - Best Of

Reel Big Fish

Got some words, I don't know gonna sing'em
Here I go wan try not to be lame
Want to make you feel the same. I just want to be someone
Don't you know we tried to do something new
It may sound real good,
But I don't think we're getting through because[Chorus]
The kids don't like it, no no
The kids don't like it, no no no
The kids don't like it, no they don't like it at all
I said
The kids don't like it, no no
The kids don't like it, no no no
The kids don't like it, no they don't like it at all
Anymore
Had a hit, famous, no
Easy come, easy go, should be
Happy with what I got,
Should be happy but I'm not
I just want to be someone
Don't you know we tried to do something new
It may sound real good,
But I don't think were getting through because,[Chorus]
I thought there'd come a day
When I'd run out of things to say
But now I know it's true no one
Listens anyway yeah! Common common yeah!
All we wanted was to do somethin' new
It doesn't sound so good and I know were not
Getting through because[Chorus]
I said
The kids don't like it, no no
The kids don't like it, no no no
The kids don't like it, no they don't like it at all
Anymore
