

# Fix a Heart

Demi Lovato

It's probably what's best for you  
I only want the best for you  
and if I'm not the best  
then you're stuck I tried to sever ties  
and I ended up with wounds to bind  
its like you're pouring salt in my cuts And I just ran out of bandaids  
I don't even know where to start  
cause you can bandage the damage  
you never really can fix a heart Even though i know what's wrong  
how could I be so sure  
if you never say what you feel, feel I must have held your hand so tight  
you didn't have the will to fight  
I guess you needed more time to heal Baby I just ran out of band aids  
I don't even know where to start  
cause you can bandage the damage  
you never really can fix a heart ohhh ohhh...  
ohhh ooooh  
oooh ooooh yeah ( x2) You must be a miracle worker  
swearing up and down you can fix  
what's been broken yeah  
please don't get my hopes up no no  
baby tell me how could you be so cruel It's like you're pouring salt on my cuts Baby I just ran out of band aids  
I don't even know where to start  
cause you can bandage the damage  
you never really can fix a heart Baby I just ran out of band aids  
I don't even know where to start  
cause you can bandage the damage  
you never really can fix a heart  
oh no no no  
you never really can fix a heart  
oh no no noo  
you never really can fix a heart oh hoo ohhh  
oh hoo yeah ohhh ohh ho oh oh oh You never really can fix my heart
