Bouncing like a buoy  
Driftin' on the water  
Singletary solitude, man begins to holler  
He says "Man overboard" I jump the ship on the trip  
It was a worldwide cruise  
Trading riches for some fishes  
I've got nothin' more to lose I'm a man overboard  
I'm a man overboard If it wasn't for the lighthouse  
Where would my life be?  
On a ship bound for nowhere  
On an unforgiven sea  
I thank God for the light Legs and arms are burnin'  
I swim against the tide  
Keep an eye above the water  
So I can see the light I'm a man overboard I dream about the Saviour  
I dream about the shore  
I feel the sand, You take my hand  
And we will walk for evermore I'm a man overboard  
I'm a man overboard If it wasn't for the lighthouse  
Where would my life be?  
On a ship bound for nowhere  
On an unforgiven sea  
I thank God for the lighthouse  
I thank God for the light The light, the light, the light, the light  
The light, the light, the light, the light  
The light, the light, the light, the light  
...If it wasn't for the lighthouse  
Where would my life be?  
On a ship bound for nowhere  
On an unforgiven sea  
I thank God If it wasn't for the lighthouse  
Where would my life be?  
On a ship bound for nowhere  
On an unforgiven sea  
I thank God for the lighthouse  
I thank God for the light Bouncing like a buoy  
Drifting on the water
