Get Involved

Raphael Saadiq

Met this girl walking [Incomprehensible]
Looking good but looking down
Said she needed inspiration
What I said, y'all?
I said, "Get yo shit 'cause we're goin' uptown"
I could tell she was feelin' better
When she got inside the car
What was she?
She was a dark skinned girl with pretty corn rows
She was doin' her best to try to hide her scars
I don't really care
About that there, just get involved
Boy, you makin' me feel, oh so real
Just get involved
Every time I take you around friends
I catch them lookin' at you, love
Lookin' at you, love
You know it never, never, never, never
Never, never bothers me
'Cause I know that I'm the one she's thinking of
I don't really care
About that there, just get involved
Boy, you makin' me feel, oh so real
Just get involved
Come on, baby, sexy lady
Oh, come on, baby, sexy lady
Oh, come on, baby, sexy lady
Oh, come on, baby, sexy lady
Sexy lady, yeah
Oh, come on, baby, sexy lady, yeah, yeah
Come on, baby, sexy lady
Oh, come on, baby, sexy lady
S A double D I Q, come on
Girl, I wanna get involved with you
Say S A double D I Q
Yeah, I wanna get involved with you
Say S A double D I Q
Do it, say get involved with you
Say S A double D I Q

Girl, wanna get involved with you
Say S A double D I Q
Girl, I wanna get involved with you
S A double D I Q
Girl, I wanna get involved with you
Say S A double D I Q
