[Intro: Philly Swain]She Love Me
She Love Me (She Love Me, She Love Me)
You say that you love me
And if you really love me, than go get my money (She Love Me!)
?
Rappers played out like phone booth's
You couldn't fit my old shoes
?[First Verse: Philly Swain]
Money, my money, she all bout my money
Soon as I get it, she beggin it from me
Beg me, she beg me the way that she fuck me
Dinner on Sunday ?
Money don't grow on TREES
When your ratchet ass ask say, "PLEASE!?"
How come every time you want me I'm SLEEP
Think you last man might have had FLEES (Hold up)
? Love is contagious
I give em the dick, they start acting outrageous
Then after mention the crib that I stay in
It's comfy and so is the bed that I (Hold Up)
Like the offseason girl, I am not playin'
My chick independent so I am not payin'
She undress and ask me where am I staying?
You smell like a Marlon I am not a Wayon[Chorus x2: Philly Swain]She Love Me

We the only thing they feel ain't it?
Now it's on
Hardwood floors
Marble doors

In a race
We animals, in Hollywood, we way too gone (Straight Up)
