

# Time Immemorial

## Into Eternity

Day after day  
Endlessly repeatedly  
An entity  
A high spirit traveling  
On and on  
This energyTime and again  
Year after year  
Immortal  
Perpetual  
Navigate hereafterTime immemorial  
Beyond the reach of memory  
Time immermorial  
Shifting into the other sideBeyond the inception  
The distant past beyond memory  
Conscious entity  
A high spirit traveling  
On and on  
This energyTime immemorial  
Beyond the reach of memory  
Time immermorial  
Shifting into the other sidePerpetual  
Navigate hereafterTime immemorial  
Beyond the reach of memory  
Time immermorial  
Shifting into the other side
