

Weep No More My Baby

Al Bowlly, Lew Stone, Nat Gonella & The Monseigneur

Weep no more my baby I'm a comin' back to you
Weep no more my baby your lonely days are through Oh oh oh wipe away those teardrops cause I've been
lonely too
Well weep no more my baby I'm a comin' home to you
Dry those big brown eyes my baby I've been gone too long
This time I don't mean maybe I know I know I done you wrong Yeah yeah weep no more my baby your lonely
days are through
Weep no more my baby I'm a comin' comin' home to you Come out and smile for me my baby your tears are
making me so sad
I can't stay away no longer you're the only love I've ever had Oh weep no more my baby I'm a comin' home to
you
Weep no more my baby your lonely days are through And I'm a comin' comin' home to you
Yeah I'm a comin' comin' home to you
I said I was a comin' comin' home to you
