I Just Know

Disciple

I just know Jesus is the way
I just know Jesus is the truth
I just know Jesus is the life
I just know Jesus is my Godwhat makes you different from one another
why do you argue about who you follow
there is no man that you belong to
there's only one God that can claim youI don't care if you don't speak in tongues
I don't care if you're into submersion
what does it matter if wear a liturgical robe
or prophesy and say God said soI just know Jesus is the way
I just know Jesus is the truth
I just know Jesus is the life
I know that Jesus is my God
I know that Jesus is the way
I know that Jesus is the truth
I know that Jesus is the life
I know that Jesus is my Goddo you serve your name or do you serve mankind
would you feel the same if they took down your sign
could you sit next to me if I was Baptist or Presbyterian
or do I need to be a charismatic or EpiscopalianI don't care if you drink grape juice or if it's wine
and I don't care if you get out of church on time
what does it matter if you praise God with music in your church
or you burn your dead or bury them six feet in the dirtI just know Jesus is the way
I just know Jesus is the truth
I just know Jesus is the life
I just know Jesus is my God
I know that Jesus is the way
I know that Jesus is the truth
I know that Jesus is the life
I know that Jesus is my GodI don't care if you clap your hands
I don't care if you get out in the aisle and dance
what's it matter if someone lets out a hallelujah shout
have we forgotten what praising Yahweh is all aboutI just know Jesus is the way
I just know Jesus is the truth
I just know Jesus is the life
I know that Jesus is my God
I know that Jesus is the way
I know that Jesus is the truth
I know that Jesus is the life

I know that Jesus is my God
