Intoxicating

Chanee'

Intoxicating, You are to me
Illuminating, You are to see
Truly breathtaking, You are to breathe
Sending my head swimming You are, You see
And I've lost my mind, I'm sure I'll find
Need to apologize
For my lack of inhibition, for my belligerent condition
But with You this near, I'm dizzy
Inebriating, You are to me
Completely captivating to see
Sending my world spinning You are, You see
And now I find a blurry line
Here between You and I
Raise the cup, drink 'til I'm full
Sing 'til I can't, 'til my voice is gone
And my head is spinning
La, la dee da
La dee da, dee da
Dee da da da
Hey la, la dee da
La dee da, dee da
Dee da da da
Illuminating, You are to see
Truly breathtaking, You are to breathe
Sending my head swimming You are, You see
And now I find a blurry line
Here between You and I
Raise the cup, drink 'til I'm full
Sing 'til I can't, 'til my voice is gone
And my head is spinning dizzy
La, la dee da
La dee da, dee da

Dee da da da
Hey la, la dee da
La dee da, dee da
Dee da da da
Hey la, la dee da
La dee da, dee da

Dee da da da
Hey la, la dee da
La dee da, dee da
Dee da da da
If I'm out of my mind it's You, You
'Cause I'm crazy in love with You, You
Inebriated by You, You
'Cause I'm head over heels with You, You
If I'm out of my mind it's You, You
'Cause I'm crazy in love with You, You
Inebriated by You, You
'Cause I'm head over heels with You, You
Hey la, la dee da
La dee da, dee da
Dee da da da
Hey la, la dee da
La dee da, dee da
Dee da da da
Hey la, la la
La dee da, dee da
Dee da da da
Hey la, la dee da
La dee da, dee da
Dee da da da
