

Falling

Alesso

Right here, right now, it's all we need
Relax your mind and set it free
Be all you got, be all I see
The way you move, the way you feel Look at me I'm falling, falling
Feeling like I'm love blind, taking over my mind
Look at me I'm falling, falling
Feeling like I'm love blind, taking over my mind Look at me I'm falling, falling
Feeling like I'm love blind, taking over my mind
Look at me I'm falling, falling
Feeling like I'm love blind, taking over my mind
Look at me I'm falling, falling
Feeling like I'm love blind, taking over my mind
Look at me I'm falling, falling
Feeling like I'm love blind, taking over my mind
Look at me I'm Right here, right now it's all we need
Relax your mind and set it free
Be all you got, be all I see
The way you move, the way you feel Look at me I'm falling, falling
Feeling like I'm love blind, taking over my mind
Look at me I'm falling, falling
Feeling like I'm love blind, taking over my mind Look at me I'm falling, falling
Feeling like I'm love blind, taking over my mind
Look at me I'm falling, falling
Feeling like I'm love blind, taking over my mind Look at me I'm falling, falling
Falling, falling Look at me I'm falling, falling
Feeling like I'm love blind, taking over my mind
Look at me I'm falling, falling
Feeling like I'm love blind, taking over my mind Look at me I'm falling, falling
Feeling like I'm love blind, taking over my mind
Look at me I'm falling, falling
Feeling like I'm love blind, taking over my mind Look at me I'm falling, falling
Falling, falling
Look at me I'm falling, falling
Look at me I'm falling, falling
