

# Let It Ride

**Danielia Cotton**

Before I leave town today  
Well, there's something  
That I wanna say  
That you regret the stormy night  
You put your eyes on me  
Well, you cheated on me  
And you lied  
And I must've had that  
A thousand times  
But I'll be comin' back one day  
Just you wait and see  
Oh, yeah, let it ride, let it ride  
Let it slip, let it slide  
Ride the night away  
Let it ride, let it ride  
Let it slip, let it slide
