Surround Me

Maiden Lane

They say no man's an island but I tend to disagree
I guess they've never seen my island and where it lies at sea
I'm lost inside my memory I'm still in disbelief
If I could paint a picture for you this is what you'd see
I'm down on my knees
Begging you to rescue me
Please stop me don't let me run
Surround me, surround me now
A wounded man sounds desperate when he's lost all his belief
Can you look into my eyes and say you won't betray me
We're running out of time how precious time can be
I'm counting all the moments of the times you could have helped me

I'm down on my knees
Begging you to rescue me
Please stop me don't let me run
Surround me, surround me
I'm down on my knees
Begging you to rescue me
Please stop me don't let me run
Surround me, surround me
Surround me now
Surround me now
