Basketball Wives

Freddie Gibbs

Come on let's roll now
Nigga and some hoes out
Bitch gon' wear my phone
You know the club I'm bout to close outI was choppin' up a brick while I was fuckin' on that bitch
I was ridin' in that Benz while I was fuckin' on that bitchCome on let's roll now
Baby we can smoke out
Fuckin' up that paper when seen her work that pole out
I was fuckin' up a check while I was fuckin' on that bitch
Had them diamonds on my neck while I was fuckin' on that bitch
Like ayo, ayo
You know I wrap that yayo, yayo
She come through when I stay low
Slam dunked that ho, that pussy was a layupI got guala in my pockets, bout a 100 worth of jewels
I be solo in the city, I be ridin' with my tool
I can come right through your crib and make that pussy do a fool
I got bitches on my line but yo I'd rather fuck with you
Cause these hoes don't know my struggle
Man these hoes don't know my pain
They be fuckin' for the paper
Man they fuckin' for the fame
I remember I was fucked up with (?), bust a lick
Tryna grind up from a zip, had no customers and shitBut ayo, ayo, yeah
But now I got that yayo, yayo, yeah
Let's bust a lick
I was choppin' up a brick while I was fuckin' on that bitch
I was ridin' in that Benz while I was fuckin' on that bitch
But ayo, ayo, yeah
You know I got that yayo, yayo, yeah
Let's bust a lick
I was choppin' up a brick while I was fuckin' on that bitch
I was ridin' in that Benz while I was fuckin' on that bitch
But ayo, ayo, yeah
You know I got that yayo, yayo, yeah
She come through when I stay low
Slam dunked that ho, that pussy was a layup
Slam dunked that ho, that pussy was a layupI'm in Miami with this bad, bad, bitch named Caroline
Nah that ain't her real name but God damn, God damn, she know she fine
When I fly back home my wifey know that pussy on my mind
When I hit the 305, I need that pussy one more time

I can come right through your crib and man that pussy knew a fool
I got bitches on my line but yo, I'd rather fuck with youI was fuckin' up a check while I was fuckin' on that bitch
Had them diamonds on my neck while I was fuckin' on that bitch
Like ayo, ayo
You know I wrap that yayo, yayo
Let's bust a lick
I was choppin' up a brick while I was fuckin' on that bitch
I was ridin' in that Benz while I was fuckin' on that bitch
Like ayo, ayo, yeah
She know I got that yayo, yayo, yeah
Let's bust a lick
I was fuckin' up a check while I was fuckin' on that bitch
Had them diamonds on my neck while I was fuckin' on that bitch
Like ayo, ayo
You know I wrap that yayo, yayo
She come through when I stay low
Slam dunked that ho, that pussy was a layupI was choppin' up a brick while I was fuckin' on that bitch
I was ridin' in that Benz while I was fuckin' on that bitch
Like ayo, ayo
I got that yayo, yayo
We got that yayo, yayo
I got that yayo
She know I got that yayo
